

The image shows a bright, modern lounge or cafe interior. Large windows on the left side offer a view of green trees outside. The walls are made of light-colored wood. In the foreground, two teal-colored armchairs with wooden legs are positioned on a light-colored rug. In the background, there are several tables with chairs, some of which are set with bottles and glasses. A dark blue sofa is visible against the wood-paneled wall. The overall atmosphere is clean, bright, and contemporary.

FOOD

SEASONAL, LOCAL & PLANT-BASED

Food is one of life's greatest pleasures. Our in-house chef Karlito will turn your breakfast, lunch or dinner into a celebration. We are proud to be a (socially) conscious organization, so our goal is to create the most healthy and delicious menu whereby we eliminate food waste and support our local suppliers. For a better environment and the future of our planet. Our daily plant-based menu options are inspired by seasonal products and served with love.

MISSION

Wicked Grounds offers meeting- and event spaces where expectations are exceeded. We value long term relationships with our clients and pursue these with premium home-like locations, high quality hospitality, healthy & tasteful catering and outstanding connections along the way.
